

jednog petla
celi dan
je mu•ila slutnja
da vi•je lep nije
i da se tu ne•ito
stra•jno krije

• i taj petao
nerzvozno je •jetao
i kokama zanovetao
da mu kresta manje svetla

te otpalo mu perce sa repa,
te glas mu mnogo kre•itav•
te ugojio se i lenj postao
na jutarnjoj paradi• izostao

i od sveg jada nad• sobom
ba•j taj petao
da peva je prestao
kukuriku se vi•je• ne •uje
ceo koko•arnik sad tuguje

tuguje i svo selo
zbog petla postalo neveselo
ni sunce vi•je ne rudi
samo se mesec svemu •udi
sad on mora decu da budi

A to ba•j i nije za diku
i mesec petlu ogledalo postade
i kad petao na nebu
ugleda svoju sliku
on zapeva kukuriku
a za njim i svi u selu
zapeve•je svoje balade
za ducu veselu
a i danas to rade
